Dear Public Service Commission of SC,

I am a faithful customer of SCE&G. For the last few months my electric bill has been from \$300-\$858<sup>40</sup>. I would appreciate it if you could look into this matter. If the table was turned, I know that the SCE&G employees would complain if their bill was high. You were used to paying your bill from \$235<sup>00</sup>-310<sup>00</sup> at the most. I can't seem my bill jumping up \$400<sup>00</sup>-\$500<sup>00</sup> extra. What kind of house does SCE&G think we live in?

Certainly not a ~~condo~~. I don't think its right to pay for electricity that I didn't use. These electric prices are ridiculously outrageous. Do these SCE&G employees get out of there truck to read the meters or use the binoculars from the truck? It's not fair to pay for something you didn't use. How are we suppose to pay these outrageous high bills? Are you going to help us with assistance in paying these bills? Could you please ~~inform~~ inform me ASAP. My bill is \$858<sup>40</sup>. It went from \$235<sup>00</sup> to \$858<sup>40</sup>.

I can't pay this bill and its due April 2nd  
I had to call for more time. It was really  
due on ~~the~~ March 5<sup>th</sup>, then March 12<sup>th</sup>.  
I got the bill, but couldn't afford to pay  
it. I had to call Columbia to get more  
time to come up with the money. My husband  
is disabled, I have 4 children. I'm the one  
one working. I can't afford to pay <sup>the</sup> light  
bills. Will you help me with some assistance  
to pay mine? It's due April 22<sup>nd</sup>.

Thank You,  
The Toomer Family
